

HOLE-IN-ONE INSURANCE

\$20 = \$200

Hole in one insurance is an idea designed by golfers, for golfers. In order to prevent having to cover an extensive bar tab after your Hole-in-One, M.A.G.C.C. is offering an opportunity to buy into an insurance fund. With your \$20 buy-in, you'll be covered for up to \$200 worth of bar expense when you hit a Hole-in-One!

The fine print:

Your payment must be received by M.A.G.C.C. before your name can be listed as an insurance member, and your name must be on the list prior to hitting your Hole-in-One. Your Hole-in-One insurance is valid during any Men's, Ladies, Couple's night, or Tournament and is **valid for the current calendar year**. Your Hole-in-One must be witnessed and verified. No rain checks or carry-over will be allowed, bar tab must be opened and closed on the day of your Hole-in-One. M.A.G.C.C. board of directors will have the official list and final say regarding your insurance membership status.
